loads and extreme pressure

**Amazon.com: Genuine Honda Fluid 08798**

I bought my car 4.5 years ago, and changed the tranny oil. It is a civic lx with the 1.7L engine and manual transmission. I have driven about 50,000 miles and decided to change the transmission oil after the axle broke. The fluid that came out of the transmission was just as clear, and clean as the fluid that went in after 4 years.
