Speed Limiter

The speed limiter is a very comprehensive and highly reliable product. The system hardware is produced by Siemens VDO and has been fitted to over 1,000,000 vehicles worldwide. The system is designed to stop speeding drivers by limiting the forklift travel speed without affecting the hydraulic lifting power.

SERVICE MANUAL

Maintenance and management must read this manual thoroughly before starting work with the forklift. This manual is applicable to container trucks. Forbid repairing the truck if you haven't been trained. Our product design will update and perform better, so the content in this manual may be not the same as the forklift you owned.

OPERATION AND MAINTENANCE MANUAL

All the personnel that in charge of operation, maintenance and management must read this manual thoroughly before starting work with the forklift. As the improvements of products of our company, maybe there are some differences between this operation manual with your forklift truck.
