Ford Cortina

The Ford Cortina is a car that was built by Ford of Britain in various guises from 1962 to 1982, and was the United Kingdom's best-selling car of the 1970s. The Cortina was produced in five generations (Mark I through to Mark V, although officially the last one was only the Cortina 80 facelift of the Mk IV) from 1962 until 1982.
