## Act!

The statement "Effective 6/1/13, Sage no longer provides support for the Act! software" is meant to convey that since Sage no longer own the Act! brand and products, they do not provide the support any more. Support for Act! is now managed by Swiftpage who are the current owners of Act! since February 2013.

## Act! Documentation

Act! Documentation. Select whether you're a new, upgrading, or Act! Premium (access via web) user to view the guides you need to help you get installed, set up, and using Act!.
