Imagination

Imagination is the ability to produce and simulate novel objects, peoples and ideas in the mind without any immediate input of the senses. It is also described as the forming of experiences in the mind, which can be recreations of past experiences such as vivid memories with imagined changes or that they are completely invented. Imagination helps make knowledge applicable in solving problems ...

Pulitzer Prize First Edition Collecting Guide

@ejcrowe42 Not sure about Greenlight, but it was a Book Passage First Edition Club selection, which is how I got my copy. Which compels me to point out that the Pulitzer winner for each of the past four years has been a selection by at least one of the three FECs I subscribe to (Odyssey, Book Passage, Powell's).
